CulturalBridges2016 is a versatile cultural project that runs parallel to the world event RI02016 with the purpose of sharing Danish culture and strengthening cultural exchange between Brazil and Denmark.

CulturalBridges2016 presents 24 musical events in the spectacular Heart Of Denmark Pavillion, as well as 6 bike/sustainability/liveability events on and around the Tiradentes Square in the historic center - right here in the beautiful city of Rio de Janeiro. The cultural events contain lots of shareable, interactive and engaging experiences and make a festive meeting point for the public, international visitors and athletes alike. Daily DJ sets - concerts - workshops - bike culture - debates - and more...

Hope to see you!
